OLD TEXT

Article 22 of the CHAMPIONS OF THE FUTURE ACADEMY PROGRAM Sporting Regulations.

Suspending a practice, heat or race.

(…)

The Race Director will announce a repair window time of 15 minutes. Once these 15 minutes window ends all mechanics/drivers must have completed any work on the kart and have the kart ready on the ground in their grid position. After this time has been completed, the Race Director will announce with the grid boards the time remaining for the restart (in any case, it will be no more than 5 minutes~~). Karts must be ready to race on the ground when the one-minute board is shown.~~ Failure to be ready to race means that kart/driver cannot restart the race.
